**Dear Doug,**

**Thank you so much for all your help with the Jonathan's Landing sewage treatment plant. Your company stepped in when it would have been very easy to panic, and helped us through some very stressful times.**

**Lake Ozark Environmental has exceeded our expectations for this project, and we would highly recommend them to any homeowner or condo project that is looking for a competent, professional company that is on top of things.**

**Sincerely,**

A handwritten signature in black ink that reads "Kevin Thompson". The signature is fluid and cursive, with a long horizontal line extending to the right.
