Doug, This is reference to LOE serving Larry's on the Lake for the 2011 year. You can check your file and report our grand total for 2011 as a SMM for BNI. Looking forward to a great 2012 season with no water/sewer problems. Steve is on top of it. A testimonial, your company has well out performed your competition, LOWS. Thanks to all of your staff! Keep up the great work!
